

### **Insurance requirements:**

A certificate of insurance from the customer's insurance agent is required prior to releasing or delivering the equipment. The following points should be covered:

1. Lessee is responsible for auto and general liability insurance with a minimum combined single limit of \$1,000,000 for bodily injury and property damage.
2. Lessee is responsible for providing physical damage insurance (comprehensive and collision coverage) for the actual cash value of the leased/rented equipment.
3. An insurance certificate is required to cover the above points and show C&E Rentals as an additional insured and loss payee, waive subrogation against C&E, be primary and non-contributory, include a severability of interest's provision, and include such other provisions (including deductibles) as C&E may require per the terms of the rental invoice agreement.

**You may email or fax this form directly to your insurance agency to assist in obtaining the certificate.**

**Please fax a certificate of insurance to (503) 218-1210 -or-**
